

IU

: GestorMultimedia

1: eliminarFotografía(idUsuario, idImagen)

```
sequenceDiagram
    participant IU
    participant G as : GestorMultimedia
    IU->>G: 1: eliminarFotografía(idUsuario, idImagen)
```

The diagram is a UML sequence diagram. It features two vertical dashed lines representing the lifelines of the objects. The left lifeline is labeled 'IU' and the right lifeline is labeled ': GestorMultimedia'. A solid horizontal arrow points from the left lifeline to the right lifeline, with the message text '1: eliminarFotografía(idUsuario, idImagen)' written above it. Both lifelines have a small green rectangular activation bar at the point where the message is received.
