

IU

: GestorFotos

1: eliminarFotografía(idUsuario, idImagen)

```
sequenceDiagram
    participant IU
    participant G as : GestorFotos
    IU->>G: 1: eliminarFotografía(idUsuario, idImagen)
```

The diagram is a UML sequence diagram with two lifelines: 'IU' on the left and ': GestorFotos' on the right. Both lifelines are represented by vertical dashed lines with light green rectangular activation bars. A solid horizontal arrow points from the activation bar of 'IU' to the activation bar of ': GestorFotos'. The message is labeled '1: eliminarFotografía(idUsuario, idImagen)'.
