

IU

: GestorVideos

1: eliminarVÍdeo(idUsuario, idVÍdeo)

```
sequenceDiagram
    participant IU
    participant G as : GestorVideos
    IU->>G: 1: eliminarVÍdeo(idUsuario, idVÍdeo)
```

The diagram is a UML sequence diagram. It features two lifelines: 'IU' on the left and ': GestorVideos' on the right. Both lifelines are represented by vertical dashed lines with light green rectangular activation bars. A solid horizontal arrow points from the activation bar of 'IU' to the activation bar of ': GestorVideos'. The message label '1: eliminarVÍdeo(idUsuario, idVÍdeo)' is positioned above this arrow. A faint, diagonal watermark reading 'Academia' and 'Commercial' is visible in the background.
